Association of
Commerce &
Industry

Employers Advocating Economic Opportunity in Idaho®

What is IACI?

- ◆ IACI acts as the State Chamber of Commerce.
- ◆ IACI is a non-profit association funded through member dues.
- ◆ IACI members bring substantial and diverse expertise to the discussion of public policy issues.
- ◆ IACI determines its policy positions through a committee process.
- ◆ IACI provides valuable and accurate research information to public policy makers on issues of importance to the business community.

Industry Diversity:

Members range from agriculture to technology, and everything in between.

Geographic Diversity:

Members come from every corner of Idaho.

Size Diversity:

Members range from sole proprietors to the largest employers in the state.

ORGANIZATION:

IACI is ***Employers Advocating Economic Opportunity in Idaho***. We work throughout the year on critical issues such as taxes, health care, environment, workers' compensation, unemployment, employer liability, and controlling the cost and growth of government.

Did You Know? IACI is the only statewide business organization that represents all sizes of employers across every industry in the state, and has for over 45 years. IACI is Idaho's broadest-based, most diverse business association, which is what provides IACI clout with the state's elected officials and policy leaders to effect real change in the state on behalf of businesses.

VISION

Employers advocating economic opportunity in Idaho

VALUES

Building and maintaining relationships and working with respect and integrity

MISSION

IACI provides leadership, collaboration, and education in the development and implementation of effective public policies, supported by its members, to achieve economic growth and progress through entrepreneurship and free enterprise.
